

- 22 The Korties (Native Amer., AZ) express thanks to everyone who has faithfully supported the Lord's work among the O'odham people. They have been encouraged by the financial support, visits, phone calls, emails, and most of all prayers.
- 23 Please pray for the Selphs in Atlanta as they seek to balance the work of benevolence with the work of the gospel. The needs of the poor are great, but there is a point at which helping in this area can be more harmful to gospel work than helpful.
- 24 The Torreses (Juarez, MX) thank God that they have had a considerable number of visits in the last month. They ask that we pray for conversions and that these people find in their church a place to be discipled.
- 25 USAF Chaplain S. asks prayer for our Air Force deployers. Many will be rotating home and many coming in to replace them. Pray that the Lord would grant a blessed reunion for those finishing and a fruitful deployment for those coming in.
- 26 Pastor S.B. asks us to pray for the broader church in India. There are thousands of churches, pastors, ministers, and believers there. However, most of the people and pastors are corrupt. The pastors are not preaching Biblical doctrine, and they are leading the people into corruption. Many pastors are taking the glory of God for themselves, and they become an idol in the churches. Pray for revival in the church and for the pastors and believers to repent.
- 27 DL reports that they continue to study language and are now able to read the newly dedicated New Testament. Pray that they would study and know God's word well in the heart language so that they may share it with others.
- 28 Pray for the Emadis' residency application in the Rep. of Ireland. Their visas expire in May 2022, and they have yet to hear anything.

- 29 On November 2nd, we prayed with the Wengers (Switzerland) regarding a new location for the Reformed Baptist Camp. God has led favorably for this new location starting in 2023. Please pray now for the preparation of the 2022 camp.
- 30 The Oliveiras thank God that their family arrived safely in Portugal. They ask that we pray for the weeks of logistical work ahead, as they have been out of the country for 10 years, and they have much to do beginning of the ministry at First Baptist Church of Lisbon.
- 31 The Baldwin's request prayer for the growing need of more space for BTS, Nov Sad, Serbia, especially the need for more dorm and classroom space as they move into developing a Master's program alongside the Bachelors' program. A 4-story building with kitchen, classrooms and dorms would be at least 500,000 euros. A new building would cost twice that. There is no way to expand their present building any more than they currently are doing. Pray for the Lord's direction.

MISSIONARY PRAYER GUIDE

"For the earth will be filled with the knowledge of the glory of the LORD as the waters cover the sea"

HABAKKUK 2:14

- 1 The Favres ask prayer for the many challenges they face in France this year, in particular a presidential election which will be important for the religious and moral transformation of the country.
- 2 Please continue to pray for Baruch Maoz this month as he ministers in Israel preaching, advising pastors, and visiting congregants and unbelieving friends. Also, pray for his work on study notes for the book of Job — the last of his Old Testament projects before turning to the New Testament.
- 3 Please pray for Trevor Johnson. Recently he has had a relapse of severe chronic pain from past illness from malaria caught on the field. He has had to cancel church visits that were scheduled with the intent of sharing the work in Papua. He also asks prayer for the renovating of a newly purchased building to house more students in the jungle. Many children are now being schooled for the first time ever.
- 4 Please pray for David Vaughn's (France) recovery. In November a stent was placed in his left coronary artery (LCA) which was more than 80% blocked. It was also discovered that he has a case of pericarditis (inflammation of the tissue surrounding the heart), for which he is under treatment. Pray for the church's pastoral needs to be well provided for during the next few weeks of David's convalescence.
- 5 Pray for the Secrests' anticipated medical mission outreach to Riobamba, Ecuador (January 8–15). They have a team of 8 Peruvians who will meet with 11 from the USA (Volunteers in Medical Missions) to serve among the Quichuas in the mountains of Ecuador.
- 6 The Torreses (Juarez, MX) praise God that they plan to have 4 baptisms beginning in 2022! Please pray for the preparation and confirmation of the candidates.
- 7 USAF Chaplain S. asks prayer for a SMSgt friend and brother in the Lord who is facing a medical separation from the Air Force. Pray that the Lord would grant peace in this season of uncertainty.
- 8 The Korties (Native Amer., AZ) ask that we pray for the churches on the Tohono O'odham and Gila River reservations as they reopen fully. The reservations themselves continue to be hesitant due to Covid, but the churches are eager to resume all ministries.
- 9 DL asks prayer for health for his family, as everyone has been sick off and on in the month of December. Pray that God would restore their health and energy.
- 10 S & E (Asia) ask that we pray that the government would grant them visas, and that their language learning in the states would be profitable.
- 11 The Baldwins (BTS, Nov Sad, Serbia) praise the Lord for His grace as the December module was completed without any problems. 40 students were able to successfully attend despite Covid and other concerns, and 6 incoming teachers preached throughout Serbia and taught at the school for a week, all returning home safely.
- 12 The Emadis (Rep. of Ireland) had a Carol Service outreach at the church on the 12th of December. Pray the Lord would use it to open blind eyes.
- 13 Please pray for the Selph's Gospel outreach in Atlanta as they are seeking to establish another Bible study where they have been doing street outreach for a while. It is a rough and poor area, but the folks they are connecting with are sweet, appreciative, and are showing interest in the possibility of a Bible study.
- 14 Pray for the Masters (Argentina) as they have mission outreach projects scheduled in 2022, as well as a pastor's retreat in March 2022.
- 15 The Wengers report that some are contemplating baptism in Neuchâtel's church. Please pray that the Spirit of God would work in their hearts so that they will be convinced of the necessity and that they can begin the preparation for baptism.
- 16 Pr. Obed Rupertus (Santiago, Chile) requests our prayers that the Lord would bind together the hearts of this congregation that's merging "older" members with newly-baptized and recently-joined members. They rejoice to have outgrown the once-monthly rental they'd been using during Covid. Please ask the Lord to provide a place where they can gather for worship.
- 17 Please persevere in prayer for healing for Pr. Jorge Molina (Carlos Paz, ARG), whose right leg has two very painful ulcers that are resisting treatment. Also, continue to pray that God will send someone to help in pastoring the small, but faithful congregation in Carlos Paz, ARG.
- 18 Pastor SB (S.E. India) asks that we continue to pray that the Lord would guide them to the right parcel of land to purchase.
- 19 The Kilians ask we pray for new Zambian faculty at African Christian University, that there will be a good fit and unity among all the staff. Also, pray for Zambia as a new wave of Covid is sweeping through. ACU lost many friends and colleagues this past year. Pray for God's mercy in this dark providence.
- 20 Pray for the benevolent ministries of the Secrests' (Peru) new work. These include a children's work in Luces de Villa María and an outreach to the children's hospital downtown.
- 21 Pray with the Favres for the church, La Maison de l'Evangile, in France, as they gather tonight to do an informal evaluation of Valentin Mazur as an assistant pastor and to offer a second-year internship to this family in anticipation of Olivier Favre's replacement.
