

- 23 The Masters (Argentina) will be holding their first women's conference June 24–25. Pray for hearts to be encouraged and stirred.
- 24 A significant number of the congregation in Santiago, Chile (Pr. Obed Rupertus) are new Christians from Venezuela, Colombia, and other Latin American countries. Pray for the important discipleship of these folks and that God will bind them all together as a body to give witness for Christ there.
- 25 The Secrets (Lima, Peru) request prayer for two couples with whom they are counseling who have serious marital issues.
- 26 The pastors' breakfasts that the Korties (Native Amer., AZ) have been hosting have grown into a Men's Church Leadership Training. They are encouraged that 11 men are now interested in participating. In May the topic was the qualifications of elders and deacons. Basic Biblical doctrine will be taught by both John and Pastor Jay Juan. Pray that God will raise up men for the ministry on these reservations.
- 27 Pray for the Selphs in Atlanta as they do weekly street evangelism in the same areas, to many of the same people, though they meet new people every week. Though personal safety can be a concern at times, the eternal personal safety of lost people is the greater ongoing concern.
- 28 The Torreses are thankful that God has allowed them to do evangelism in the east end of Juárez. Pray for conversions and fruits from this effort.
- 29 The Johnsons (Malaysia) give praise that the new boy's dorm is finished and more jungle children are being enrolled in school. The ministry expands again. Pray for the ministry to continue in that direction.
- 30 Tim Wenger (Switzerland) requests prayer for the young people who will be ministering in children's and youth camps this summer. Pray that their testimony will guide many to Christ.

MISSIONARY PRAYER GUIDE

*"For the earth will be filled with the
knowledge of the glory of the LORD
as the waters cover the sea"*

HABAKKUK 2:14

- 1 Pray for Trevor Johnson (Malaysia). He recently required expensive emergency dental surgery due to years of dental needs finally reaching a critical point. He is now dealing with infection. Pray for God's healing and financial provision.
Also, the Torreses (Juárez , MX) request prayer for Pastor Dave Hendrickx's health.
- 2 The Favres ask prayer that the Lord would help 3 Tamil families, who are facing several problems, to settle well in France.
- 3 Please pray for wisdom as Michael and Ashley Emadi (Rep. of Ireland) continue to do much counselling. Especially pray for 2 women Ashley meets with who are having very serious issues in their lives.
- 4 The Korties will be traveling to SC to meet their newest grandson and see all of their children's families. They will also be in several churches to present/update the ministry (SC, PA, MA). Pray for safety in travels, for times of refreshment with family, for them to be an encouragement to the churches, and for the ministry in AZ while they are gone.
- 5 Please pray for the Discovering Christianity Bible Study in Bouc Bel Air, France that David and Nicky Vaughn are hosting. Nine non-Christians are attending. In June the 4th session, on Christ's resurrection, will be held.
- 6 Pray for First Baptist Church of Lisbon during their pastoral transition and for faithfulness and wisdom as Tiago Oliveira seeks to lead them.
- 7 The Baldwins (Serbia) need wisdom as they are preparing for the Masters' program at BTS, in conjunction with Grace Seminary. Adapting the program to the Serbian context and need has challenges. Pray for the Lord's guidance.
- 8 Pray with the Kilians that God would bring more students to ACU (Zambia) so that they can continue to grow in numbers and effectiveness. Also pray for Dr. Conrad Mbewe as he is in the UK and the U.S. preaching and fundraising for ACU.
- 9 Pray for Marcelo Brondo, new pastor in Carlos Paz, ARG, as well as his wife, Nancy, and daughter, Priscilla. Also, please join that congregation in praying that God will bring to Christ some of the lost among the 1,200 families they have recently invited to the church. The little band of saints there is encouraged and refreshed with growth God has given.
- 10 Tim Wenger (Switzerland) thanks the Lord for the people who teach the children in the Sunday School in Neuchâtel. Pray that their meeting on June 11 to organize the 2022/2023 year will be fruitful. On the same day, there is also a meeting of the committee to organize the last year of the 4-year cycle of the Bible College. Please pray for wisdom as these plans are made.
- 11 The Favres ask prayer for the 8 men in training in Lausanne (le Collège biblique) as they enter their 4th year of study and must choose a topic for their research paper. Pray that they choose a topic that will help them to grow in maturity.
Also, pray with the Masters (Argentina) for progress on the seminary building and library.
- 12 Baruch Maoz is well into Bible study notes on Mark and is eager to complete the project as soon as possible, but pressing duties impinge. Pray for wisdom in the use of his time
- 13 Please pray for the Selphs in Atlanta as they seek to set up another weekly gospel Bible study in a large apartment complex on Thursday evenings. It would be the same approach as the Tuesday outreach that meets at 5:30PM with a dinner served following the study.
- 14 Pray for USAF Chaplain S. and his family as they prepare for their move to Florida.
- 15 The church in Carlos Paz, ARG, requests prayer for the new families with children and for singles who have recently begun to attend services there. Pray that the gospel of Christ will work in all of them what is needed, that together they might form a strong testimony to His grace in their city.
- 16 Pray for the Secretsts' medical campaign to Ecuador (Riobamba), June 16–23. This includes a team of 7 Peruvians and a team of 13 from the U.S.
- 17 USAF Chaplain S requests prayer for an Active Duty TSgt (Technical Sergeant) and his wife who are experiencing marriage difficulties.
- 18 Pr. Obed Rupertus (Santiago, CHE) rejoices in the growth God has given. With over 60 adults in attendance, they long for a place to meet weekly for worship. They still meet only by Zoom 3 weeks/month, and rent a facility outside the city one Sunday afternoon each month for worship, the Lord's Supper, baptisms, preaching and a meal together. Please pray.
- 19 Tiago Oliveira gives thanks to God for the recently established partnership between Martin Bucer Seminary Portugal and Puritan Reformed Theological Seminary. Pray that they might be able to work out the logistical/administrative aspects to start classes in the fall.
- 20 Baruch Maoz reports that he is now framing the final form of I & II Peter in the New Testament translation, and the work is progressing well. Pray for wisdom as he has yet to complete extensive initial editorial comments on his translation of Revelation.
- 21 The Baldwins (Serbia) are still in the process of attempting to obtain a building for the Masters' program as well as additional lodging for students at the current Bachelors' program. There are many legal issues that are being worked through, but the Lord is pressing the project forward little by little. Pray He would give what is needed for these students.
- 22 Pray that the Lord would give wisdom as David Vaughn helps the elders of the gypsy Reformed Baptist Church in Marseille with important decisions regarding a church plant which is an hour away from Marseille, as well as the need to set aside a least one of the elders for fulltime pastoral and church planting work.
