Countries to Pray For:

Maldives (ASIA)
Population: 532,209
Languages: Dhivehi
Religions: Sunni Muslim
People: 1200 coral islands form the Republic of Maldives, the world's lowest country; high risk of being submerged due to rising sea levels. Radicalized youths are enlisting in significant numbers to fight for ISIL militants in the Middle East. Caste distinction between noble and common people.
What to Pray About: Significant problems with corruption, lack of religious freedom, abuse of women. Maldivians do not have codes of honor, purity, corporate marriage, and sedentary private property. All other religions besides Islam are illegal; widespread traditional beliefs in spirits combined with Islam. No mission work or Christian literature has ever been legally allowed within the islands. Great need for Gospel witness.

Mali (AFRICA)
Population: 26,151,147
Languages: French, Bambara, indigenous languages
Religions: Sunni Muslim, Roman Catholic
People: Mali is among the hottest countries in the world. Health and development indicators rank among the worst in the world. With no coastline, Mali is dependent on agricultural exports and gold mining for revenue.
What to Pray About: Slavery persists in Mali today with as many as 200,000 people held in direct servitude to a master. One of the world's highest rates of infant mortality. After the 2012 imposition of Sharia rule in northern parts of the country, persecution of Christians in the north is severe. Mali is also a source, transit, and destination area for men, women, and children who are subjected to forced labor and sex trafficking. Great need for Gospel witness.
