

26 The Baldwins (Novi Sad, Serbia) report that they recently hosted a team from HeartCry Missionary Society that was there to film an ATN student—supported as a missionary by HeartCry—and to also feature the ministry of ATN. The building that now houses the ministry is due in great part to a generous donation from HeartCry. It was because of that donation that the program was able to start last year. Give thanks with the Baldwins for these blessings.

Also, give thanks for new members in the church in Carlos Paz, ARG. Please join with Pr. Marcelo Brondo in asking that the faith of these who have been added will grow stronger even through trials.

27 JMW was privileged to visit two closed countries in N Africa in Oct. and gives praise for the amazing believer testimonials heard from inside a 99.9% M-country and for the work faithfully being undertaken there.

28 The Masters (Argentina) report that the Bible clubs in the parks are growing and showing fruit. Please pray for the teams working with the children and parents.

29 Raul Torres (Juarez, MX) asks that we pray that the Lord would bless their church members with hearts for missions and evangelism so that they may carry the gospel to their communities and beyond, being faithful witnesses of Christ.

30 Please pray for the Peruvian NGO, VASE (Voluntarios y Ayuda Social y Evangelismo [Volunteers for Social Help and Evangelism]), which the Secrests established in 2019 to organize medical professionals—in and outside of Peru—to provide help and support to churches in underserved communities of Perú. Pray for wisdom in the establishment and promotion of medical and evangelistic campaigns for 2025. Pray also for the financial support of this NGO.

## Coordinator Mark Chanski November Itinerary

November 23–24, Salem, Louisiana – Salem Baptist Church – Pastor Chad Chauvin – Weekend Ministries.

*The throne of grace is near  
at hand. You have not to  
travel far to reach it; there is  
no lengthy and painful journey,  
no wearisome and mortifying  
pilgrimage. It is near at hand.  
Lying down or rising up, going  
out or coming in, in the streets  
and in the house, in public or in  
private, in the private chamber  
or in the sanctuary, God is  
everywhere, and where He is,  
there is a prayer-hearing and  
prayer-answering God.*

# MISSIONARY PRAYER GUIDE

“For the earth will be filled with the  
knowledge of the glory of the LORD  
as the waters cover the sea”

HABAKKUK 2:14

- 1 Tim Wenger (Switzerland) asks prayer for the Reformed Baptist autumn conference tomorrow, where Stefan Zürcher will be talking about depression and Jérémie Cavin about burn-out.  
Also, please pray for Michael Emadi (Rep. of Ireland) as he has been asked to speak at several events in Northern Ireland, including to a Persian outreach.
- 2 Baruch Maoz asks prayer as he is currently ministering in Israel. His weekend schedule is full until December. Pray he will be enabled to serve well.
- 3 Please pray for USAF Chaplain S's oldest, Elisa (20). She was accepted into a Sheriff's Cadet program and is preparing to begin her training.
- 4 Please pray with the Ryttersgaards for Covenant Reformed Baptist Church of Barbados as they are in a season of leadership transition. Pray that God will provide a new full-time pastor and continue to undergird and build the church in the meantime.
- 5 The Masters ask prayer for preparation in planting the new work in the mountain town of La Falda in Argentina.
- 6 Please pray for the session of the "Discovering Christianity Bible Study" David and Nicky Vaughn (France) will have with 4 non-Christians on Friday, Nov. 8.  
Also, please pray for the Holy Spirit's power during the Selph's ongoing Bible studies in West Atlanta.
- 7 USAF Chaplain R. asks prayer for members of his squadron and their families facing a short notice deployment causing added strain to marriages and families.
- 8 Please pray for the protection of Pastor S. and for him to remain grounded in God's Word against spiritual attacks and temptations as he declares the Gospel of Christ.
- 9 After a recent disappointment when a hoped-for rental of larger space for worship fell through, we need to persevere in prayer with the congregation in Carlos Paz, ARG, (Pr. Marcelo Brondo) that God will provide a place where they can grow.
- 10 The Baldwins report that Akademija Teloskih Nauka, the master's program in Novi Sad, Serbia, is in the beginning stages of possibly expanding the program into Albania. Pray that the Lord would grant wisdom and for the details to help several pastors in Albania become more equipped to minister in the Balkans.
- 11 Please pray with the Oliveiras for Martin Bucer Seminary (Portugal). Pray for professors, students, and their churches. Pray for more men to be raised for ministry.  
Also, pray for wisdom for the leadership at ACU (Zambia) as they make decisions regarding the future of the university. The Kilians are returning to the US at the end of the academic year.
- 12 Please pray with the congregation of Iglesia Bautista Reformada of Santiago, CHE, (Pr. Obed Rupertus) that they will be powerful light and salt in their communities even as we pray for that nation, which is becoming increasingly godless.
- 13 JMW asks prayer for strength and resiliency for workers who labor in No. Africa, who seldom if ever see fruit, and who fight spiritual warfare regularly. Pray that they would be confident in the Father's promises to sustain them and provide all their needs.
- 14 Please pray that USAF Chaplain R's home would sell as his family transitions out of active duty to the Air National Guard.
- 15 Please pray for Pastor S.'s physical and spiritual strength as he faces challenges in doing ministry.  
Also, the Emadis (Rep. of Ireland) ask that we pray for their health. They have been battling much illness.
- 16 Raul Torres (Juarez, MX) asks prayer that the men in their congregation would be strengthened in obedience and faithfulness to the Lord, to their families, and to the church and that the Lord would raise up more deacons and pastors.
- 17 Baruch Maoz' book, *God In His Beautiful Greatness*, published in Hebrew, is about to be published in English. Pray that God would use the book to edify his people.
- 18 Please pray for Sophia and Gabrie, two young believers that USAF Chaplain S. recently baptized. Pray that the Lord strengthen their faith and allow them to grow up strong in Him.
- 19 Please pray for David's Vaughn's teaching this semester on Biblical Piety at the Brussels Bible Institute in Belgium, for his interactions with students, and that he could receive a well-chosen intern from the Institute this year.
- 20 The Secrests ask prayer for Martín Manchego and Daniel Maxi, the pastors of Iglesia Bíblica Gracia y Verdad in Miraflores, Lima, Perú. Pray for needed support and the wellbeing of their families.
- 21 Tim Wenger (Switzerland) asks prayer that the disappointment of the low turnout (4 young people) at the Reformed Baptist youth day on Sept. 28 would lead to greater dedication and not discouragement. Give thanks with them for the joy they had celebrating the 20th anniversary of the constitution of the Neuchâtel's Reformed Baptist Church last weekend.
- 22 Please pray with the Ryttersgaards for wisdom from above for the leadership of Covenant Reformed Baptist Church of Barbados regarding a handful of sensitive issues requiring pastoral attention and care.
- 23 The Oliveiras ask prayer for the FBC Lisbon (Portugal). They thank God for growth (they have an average of 85–90 on Sundays). Pray for growth in knowledge and holiness. Most of the people arriving are weak spiritually. Pray also for the conversion of non-believers.
- 24 As the congregation in Santiago, CHE, continues to grow together, Pr. Obed Rupertus requests prayer for greater unity and joy among them to show forth Christ's glory and attract others to Him.
- 25 Please pray for the Selph's Gospel outreach on the streets of west Atlanta as they seek to convince people of their total depravity and need of a Savior to rescue them.
