MISSIONARY PRAYER GUIDE

**"For the earth will be filled with the
knowledge of the glory of the LORD
as the waters cover the sea"**

HABAKKUK 2:14

- 1 USAF Chaplain S. asks that we pray for their oldest daughter, E. She is expressing doubts about the faith. She does continue to attend church where she hears the gospel weekly. Pray that the Lord would be pleased to grant her saving faith.
Also, pray for the Kilians as they disciple and educate their girls in Zambia. They are beginning a new academic year with all four now in home education.
- 2 The Korties (Native Amer., AZ) praise God that John is responding well to his chemo treatments. He has had the opportunity to preach at a funeral and at First Papago Baptist, filling in for Pastor Jay Juan. Pray for the churches on the Gila River Indian Reservation as several are either without pastors or their sole pastors are weary and needing a break. John and Pastor Jay have a burden to strengthen these churches as well as train up men for the ministry.
- 3 The Kilians request prayer for the pressing financial needs of African Christian University. Pray that like-minded churches and individuals will seize the opportunity to support this discipleship work of the Zambian Reformed Baptist churches.
- 4 Pray for Pastor S.B. (India) family's health issues.
Also, please pray for health for the Emadis (Rep. of Ireland). They have had some medical issues.
- 5 Please pray with the Torreses for their evangelism efforts in Riveras (MX), that the Lord would grant conversions and baptisms.
- 6 Pr. Obed Rupertus (Santiago, CHE) requests prayer that the congregation grow to a level of maturity in faith to be a help and encouragement to newcomers to the church.
- 7 The Oliveiras request prayer for Martin Bucer Seminary Portugal: students, professors, and staff. Lord willing they will have started their Masters Program on August 29, and their Bachelor's Program will begin on September 11.
- 8 Pray for Valentin Mazur, Olivier Favre's successor at La Maison de l'Évangile church in Mulhouse, as he takes on more and more responsibility in leading the church and Olivier slowly retires.
- 9 The Vaughns ask that we pray that the Lord would provide a new meeting place for the church near Aix-en-Provence, France. The 9-year contract on their previous meeting place expired and it was getting too small. They presently are having joint worship services with a Reformed Baptist gypsy church while looking for new facilities.
In addition, the congregation in Carlos Paz, ARG (Pr Marcelo Brondo) continues to search for a rental place to meet the church's present needs and permit growth.
Also, pray with the Masters for the church in Carlos Paz as they look for a building to rent.
- 10 Please pray with USAF Chaplain S. for the 1 Special Operations Airforce Maintenance Squadron. They have experienced several losses and suicides over the past month. Pray for their chaplain, Josue, and that the gospel would bring hope for those in pain.
- 11 Please pray for David Vaughn as he gives training to two Reformed Baptist gypsy pastors, Michel and Joseito (Joseph). They are presently working through a hermeneutics course. These men have never been theologically trained and do not even have high school degrees but have become avid readers and Bible students since discovering the Reformed Faith.
- 12 Baruch Maoz is presently working on Bible notes on the book of Revelation and nearing the end of that project. Pray for wisdom in the completion of this project.
- 13 Pray with the Secrests for the growth and financing of VASE (Voluntarios en Ayuda Social y Evangelismo), established as a not for profit in Perú. The purpose of which is to send out medical and evangelistic teams to Peru to evangelize and to strengthen the testimony of local churches.
- 14 The Korties report that First Papago Baptist Church will be doing ministry on the Yavapai Apache reservation north of Phoenix and west of Prescott. Pastor Jay will be teaching several times September 14–16. Pray that these brothers and sisters will be encouraged in the Word and will grow in their walk with Christ.
- 15 Baruch Maoz is finalizing plans for a ministry trip to Israel October–December. Many opportunities have opened. Pray for God's blessing.
- 16 Please pray for grace as Michael Emadi (Rep. of Ireland) flies to the U.S. for the RBNet conference and Ashley has to stay home with the kids
- 17 Tim Wenger (Switzerland) requests prayer for the September 24 baptism of several people in Neuchâtel. Pray that their testimonies will glorify God and be a powerful tool used by the Holy Spirit to touch many hearts.
Also, please give thanks for a couple of new membership applicants at CRBC Barbados. The Ryttersgaards are grateful that Christ continues to build this church.
- 18 Pray for the the RBNet General Assembly, as it meets today through Thursday, that God's Word would penetrate hearts and that business would be conducted in a God-honoring and glorifying way.
- 19 Pr. Marcelo Brondo (Carlos Paz, ARG) requests that we uphold a program they're initiating in a nearby public park for children and for evangelistic outreach to families.
- 20 S & E, working in SE Asia, ask that you join them in asking: for strength to persevere as well as continued progress in language learning, that the Father would continue to bless them with deepening local relationships where they can one day share the truth, and that in the midst of their busy lives they would love and reflect our Savior more.
- 21 Pray for the pastoral training that Pastor S.B. is doing for the tribal pastors in their surrounding area. Pray that they find land to facilitate training for pastors and shelter for the orphans and widow.
- 22 The Masters (Argentina) request prayer for their weekly evangelistic Bible club for children in the plaza.
- 23 Please pray for the Selphs in West Atlanta as they continue their two weekly community Bible studies. There have been encouragements with more people attending and with apparent sensitivities to spiritual things. Please pray for obvious conversions.
