"For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea."

HABAKKUK 2:14

23 USAF Chaplain S. asks prayer for one of his airmen who is debating a call to ministry and has begun his undergraduate degree. Pray that the Lord prepares him well for gospel ministry.

Also, pray with the Torreses (Juarez, MX) for the group of five men who are currently being trained to serve as leaders in their homes and who are receiving theological formation.

24 Pray for the Gopalans' preparation to leave for Pucallpa, Peru, that they will be well-equipped to serve in the place that the Lord has called them.

25 Please for the Selph's gospel labors in west Atlanta as they are trying to determine what steps need to be taken in their outreach workload in order to plant a church, and if that is even the Lord's will for them to do so.

Also, Sam and Emma (SE Asia) ask that you pray for opportunities to share the truth with friends and neighbors in the national language during this interim period before they relocate to live in the Niang village.

26 Pray for David Vaughn as he teaches a Hermeneutics course to about 20 men from the Reformed Baptist Gypsy church in Marseille, France. Pray that this would deepen the men's ability to grasp the Bible and help to prepare future elders and teachers.

27 The Petersons ask prayer for God's blessing on their outreach efforts of corporate evangelism and Bible distribution. Their goal is to give a Bible to the 20,000 homes in their city. Also, pray for wisdom and direction regarding potential church plants in the Guanacaste Province.

28 The Layers have outgrown the space they rent in Siedlce, Poland. They need classrooms, a book warehouse, and a large auditorium for Sunday worship services. Pray for God to provide them with a building.

Also, Pr. Obed Rupertus and the congregation in Santiago, Chile, ask us to join them in thanking the Lord for a much better place for them to gather for worship beginning in May. A Baptist church will allow them to meet at an hour when their building is not in use.

29 Pray for Mark and Cheryl (East Asia) as they reach out to Muslim students (Oman and Turkmenistan) at the nearby University for International Business and Economics.

Also, Tim Wenger asks prayer for wisdom in carrying out a gospel-sharing project in Neuchâtel, that lasting fruit might be produced by God's grace.

30 The medical campaign with VASE is scheduled for June 25–July 3rd and will be held in Ventanilla, a district of Lima. The Secrests are presently forming the team and ask for your prayers for the organizing team, medical professionals, and the ability to purchase the needed medical supplies for this outreach in Perú.

Missionary of the Month

Welcome to the April issue of RBNets' *Missionary Prayer Guide* in which we are highlighting RBNets Missionaries, David and Nicky Vaughn. Along with prayer requests from other RBNets missionaries, each Sunday we are featuring specific requests from our missionary of the month (as highlighted in green). Thank you for your interest in all of our missionaries and for your prayer support of them.

- 1 USAF Chaplain S. asks prayer for our chaplains around the globe that, during these difficult times, they would have ample opportunity to share the hope of Christ with those they serve.
- 2 Please pray for USAF Major Chaplain B., as he is recovering from a pulmonary embolism.
- 3 Please pray for Olivier Favre on Good Friday. He will preach on the seven words of Christ on the cross in an evangelical church in French-speaking Switzerland. Pray that the message of the gospel will bear fruit in people's hearts.
Also, please pray with the Emadis (Rep. of Ireland) for their Easter outreach event.
- 4 The Secrests ask prayer for their youngest son, Jeremy, and his family. Jeremy is a strong believer and a colonel in the army with responsibilities in several countries around Iran. He is very involved in the developing conflict in Iran and will be in the middle east for the next year. Pray for his safety, wisdom, and provision for his family in his deployment.
- 5 The Vaughns ask prayer for the church plant near Aix-en-Provence in the south of France as they send a team to the open-air market in town on Sunday morning, April 12, to meet people and share the gospel with them. The Sunday service is moved to the afternoon to permit this outreach.
- 6 Please pray with the Emadis for a very serious situation regarding a couple in the church in Dundalk, Rep of Ireland.
Also, Tim Wenger asks prayer for the camp counselors and leaders training taking place from April 6–11.
- 7 Raul Torres (Juarez, MX) asks for continued prayer for his wife, Lidia, who is now in her seventh month of pregnancy. Pray that God would protect her and the baby and keep them both healthy.

Also, please pray for the Selph's gospel labors in west Atlanta as one of their attenders was recently shot twice in the stomach. Warren is such a sweet quiet guy who was in the wrong place at the wrong time. He is presently in the hospital trying to recover.

- 8 Join David Adams in praising God for funding to give away 70,000 books to pastors across Latin America and Spain. Pray for the team preparing the packages, the logistics of distributing them through many countries, and the pastors who will read these great books.
Also, Miro, the Baldwins' coordinating partner for the master's program in Serbia, hopes to establish a bachelor's program in Slovakia. He has visited several times in the last few months to better understand the theological climate and develop relationships with the churches. He hopes to move there in the fall but still needs resources to do so. Pray for the establishment of this bachelor's program in Bratislava which will help Akademia continue strongly in Eastern / Central Europe
- 9 Pray for Mark and Cheryl (East Asia) and Congolese brother (Joel) as they present him to the church as a diaconate candidate.
- 10 Please pray with Pr. Marcelo Brondo and the church in Carlos Paz, ARG for lasting fruit from a men's retreat held March 28th.
- 11 The Petersons ask prayer for the ministry at Reformed Baptist Church of Liberia: that the Word (Jonah and Colossians) would edify the saints and save sinners; that the 7 families that are in the process of applying for membership would complete the process; and that the church would have continued unity.
- 12 Pray for the "Discovering Christianity" Bible study which David and Nicky Vaughn will be holding in their home on Friday night, April 17th. This will be the 5th session and will be on repentance. Five unchurched, non-Christians are attending this study.
- 13 Please pray with the Gopalan for their fundraising efforts. Lord willing, they plan to be in Pucallpa, Peru, in August 2026. Their goal is to be fully funded by May 2026. They are currently at 40%. Pray that the Lord would continue to provide for them, as He has faithfully been doing.

- 14 USAF Major Chaplain B. asks prayer for the spiritual lives of his two sons. Pray for their walk with the Lord and wisdom in this world.
- 15 Give thanks with the Favres for the nine French-speaking churches in Europe that formed the French-speaking Reformed Baptist Network last month. Pray that the Lord will grant this network a good start and good priorities for spreading the gospel in French-speaking countries.
- 16 The church in Carlos Paz, ARG (Marcelo Brondo) requests prayer that God would do a work in the hearts of the new families attending the church.
- 17 Sam and Emma, working in SE Asia, ask that you join them in asking the Father for strength, wisdom, and favor with the village leaders as they start building their house out in the Niang village.
- 18 Pray with the Layers as they ask God to spread their two newest audiobooks, "What is the Gospel?" and "Why Trust the Bible?" far and wide, producing much lasting fruit in Poland; as well as for help in finishing the work on two books in the series "Puritan Treasures for Today." Pray that these books provide spiritual nourishment for the theological famine in Poland.
- 19 Pray for David Vaughn as he speaks on Revival at the Banner of Truth UK Ministers' conference April 20–24. David will give 2 messages entitled "Lessons from the East African Revival" and "Pentecost Flows from Calvary."
- 20 The Baldwins report that plans are moving forward for the change in ministry location. They will be permanently located in the U.S. this month, while still keeping a ministry address and strong presence in Serbia. As the school grows, having two home bases will allow more opportunities for resources and support. Pray that our Lord will establish how the new logistics of Akademia will glorify Him and advance the gospel.
- 21 Pray with David Adams for a fruitful time connecting with book distributors and other publishers at the annual Spanish Evangelical Publishers Association conference April 22–24.
- 22 Please pray that those recently baptized in the R.B. church in Santiago, CHE (Obad Rupertus) will continue to grow in the fear of the Lord, and that God will continue transforming the hearts and minds of all their members.
